

HOUSE OF KOLOR

AIRBRUSH

House of Kolor is thrilled to offer our kustom paint in new, smaller packaging specifically created with the airbrush artist in mind. It is excellent for artwork, small projects, and color test panels. These smaller packages include 29 of our most popular Shimrin base coat colors in 4 oz. bottles and 10 of our most popular Kandy Koncentrates in a 2 oz. bottle. Also included is our SG100 Intercoat Clear in a 4 oz. bottle for intermixing.

Now you no longer have to buy your favorite colors in gallons, quarts, or pints. All of these products have been packaged into solvent safe bottles. They are foil sealed and have a flip top cap for ease of use.

It is important to note that all of the paints are full strength and have not been pre-reduced or mixed with SG100. This allows the artist more versatility and a more vivid color.
